

Pittsfield, MA, Standout for Solutions!

Please join us for a **Pittsfield Park Square Standout for Solutions for Shacktown, Friday, July 15, 5:15-6:30 p.m.** Please join us in solidarity in calling for answers for those harmed and displaced by the Verizon 877 South Street cell tower. After an 18-month Board of Health investigation and finding of harm, warranting an [emergency Cease and Desist order](#) which was withdrawn when the city did not fund it, no further action has been taken and the community has been suffering for over 700 days.

Following the Standout, join us from **7- 8 pm next door** to Park Square, in the community space at 78 North Street, Witch Slapped store front. Cece Doucette of [Massachusetts for Safe Technology](#) will be offering a **one hour Q&A** about the importance of strong wireless zoning bylaws and safer cell tower siting to protect your home and health. Residents in all Berkshires towns concerned about the expansion and placement of hazardous wireless infrastructure close to homes, schools and other sensitive areas are welcome to join.

Please call Courtney Gilardi at 413-418-6925 with questions.

With a heart full of gratitude,

Courtney
